

# Inpatient Services Adult & Adolescent

Houston Behavioral Healthcare Hospital is an acute care psychiatric hospital offering comprehensive mental health programs and services for adults and adolescents (age 12-17).

Our treatment team provides 24-hour monitoring, treatment, and stabilization for patients who suffer from:

- Depression
- Mood disorders
- Anxiety disorders
- Chronic suicidal ideation
- Personality disorders
- Family/interpersonal conflicts
- Co-occurring disorders
- Chemical Dependency

Passionate Healthcare;  
Compassionate People

Houston Behavioral Healthcare Hospital's behavioral health and chemical dependency programs serve the community by providing the highest quality services and programs to those suffering from psychiatric, psychological and chemical dependency issues. We offer programs for adolescents, ages 12-17, and adults, age 18 and over.

If you feel that you, a loved one, or a professional client would benefit from our services, we invite you to give one of our intake and referral clinicians a call at 832-834-7720 and take a step toward healing. We are available by phone and in person 24 hours a day, 7 days a week, including holidays.

For a no cost assessment  
call us 24/7 at:
